Sometimes we find information on an internet search outside of the FamilySearch program. It is easy to bring in an outside source of information to a person on your tree. The easiest way is to open FamilySearch to the person you want to add a source to. On a second tab go to the location of the source information webpage. Copy the URL code in the address bar. Then go to the person's source page (3rd tab from left on home page). Click on "Add Source" Choose where the source is. For this example, choose "new source". Fill out the form and insert the URL that you have copied. Provide as much detail on the form as possible so you can return to the source as needed. Google searches are a great way to access other genealogical and family websites.

## Sunset Beach Stake Free Easter Concert

The Sunset Beach Stake is presenting a free musical concert to celebrate the Resurrection of our Savior Jesus Christ. This will be a faith and gratitude building experience for all, so please come and invite family, friends and neighbors.

The 'Lamb of God' is a sacred musical retelling of the final days of the life of Jesus Christ, His Atonement and Resurrection. Written and composed by Rob Gardner, each musical number speaks of Jesus to the heart and soul of those who perform and those who listen.

Performances will be on Friday, April 18th and Saturday, April 19th at 7:00 p.m. at the Heil Stake Center.
